---

## EDUCATION

**C.V Raman Global University**

*Degree (B.Tech), Majors (Computer Science)*

**CGPA : 8.04**

**August 2023 - June 2027**

*Bhubaneshwar, Odisha*

## WORK EXPERIENCE

**C V Raman Global University**

*Student*

**Aug 2023 – Present**

*Bhubaneswar, Odisha*

- Collaborated with peers to design and deliver impactful academic presentations and reports, streamlining research efforts and improving overall project quality across diverse curriculum topics..
- Utilized modern software tools for data analysis and project management, enhancing the efficiency and accuracy of academic assignments, research activities, and collaborative documentation.
- Planned and organized student group activities, coordinating tasks, managing timelines, and presenting key findings on curriculum-relevant topics to improve engagement and learning outcomes.

## PROJECTS

**MoviesPortal**

**Aug 2025 - Present**

**Stack:** HTML5, CSS3, JavaScript, Bootstrap, Responsive Web Technologies

- Designed and developed a dynamic movie website for browsing and discovering films, showcasing trailers, reviews, and detailed movie information in a user-friendly interface.
- Featuring categorized movie sections, search functionality, and responsive layouts, enabling users to easily explore content across multiple devices.
- Focused on delivering an engaging user experience with clean UI design, smooth navigation, and interactive elements to enhance entertainment accessibility and usability.

**Portfolio**

**June 2025 – July 2025**

- A personal portfolio website built in **HTML5, CSS3, JavaScript** with responsive design and using smooth scroll, dynamic filtering, and interactive UI components.

## STUDENT ACTIVITIES

- Actively participated in coding competitions, hackathons, and project showcases, collaborating with peers to deliver solutions under tight deadlines.
- Assisted in coordinating classroom and departmental activities, fostering teamwork and efficient event execution.

## CERTIFICATIONS, SKILLS & INTERESTS

- **Certifications:** NPTEL – Innovation with Designs , Cisco Networking Academy – Python Essentials I, JAVA basics test by HackerRank, Deloitte Technology job simulation, Oracle OCI AI Foundations
- **Technologies & Skills :**
  - **Communication Languages:** English, Hindi, Odia, Bengali
  - **Languages:** Python, Java, JavaScript , C
  - **Web Development:** HTML5, CSS3, PHP
  - **Database:** SQLite, MySQL
  - **Machine Learning:** Pandas
  - **Tools & Platforms:** Git, GitHub, VS Code, Google Cloud, MS Excel, MS PowerPoint, Canva
  - **Soft Skills:** Communication, Team Collaboration, Leadership, Problem-Solving, Adaptability
